

## **TITLE 327 WATER POLLUTION CONTROL BOARD**

LSA Document #06-181

### **SUMMARY/RESPONSE TO COMMENTS RECEIVED DURING THE THIRD PUBLIC COMMENT PERIOD**

IC 13-14-9-4.5 states that a board may not adopt a rule under IC 13-14-9 that is substantively different from the draft rule published under IC 13-14-9-4 until the board has conducted a third comment period that is at least 21 days long. Because this proposed rule is not substantively different from the draft rule published on July 1, 2006, at 29 IR 3434, the Indiana Department of Environmental Management (IDEM) did not conduct a third comment period on this proposed rule.

### **SUMMARY/RESPONSE TO COMMENTS RECEIVED AT THE FIRST PUBLIC HEARING**

On September 13, 2006, the Water Pollution Control Board conducted the first public hearing/board meeting concerning amending 327 IAC 2-1-8.9 to delete the site-specific water quality criteria for cadmium applicable to the West Fork of the White River from the Indianapolis Belmont Wastewater Treatment Plant outfall to the Marion-Johnson county line. No comments were made at the first hearing.
